REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the word 'integral' is being interpreted as 'being connected' or 'one 'unit'; therefore, claims 1-3, 5-8, 30, 32-33, 35-39 are allowed because the prior art of record neither anticipated nor rendered obvious all the limitation of the base claims 1 and 32 including an integral platinum layer, said integral platinum layer having a first portion formed directly on said titanium-tungsten layer, said integral platinum layer having a second portion formed directly on said filed oxide.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
